www.amt-consulting.com

The curriculum files are provided on CD medium and hardcopy if requested. These documents are provided with a formal agreement that stipulates the terms of the Formal Agreement.

The Total Curriculum Package includes the following information provided on CD organized in various folders identified by the folder name (>):

- CFR Title 14 Part 147 Compliance statement (Compliance)
- Student Performance Objectives (SPO's)
- Course Outlines – catalog and college course forms (Course Outlines)
- Instructor Notes- lesson plans – basic- (Instructor Notes)
- Instructor performance and expectation material (Instructor material)
- Basic student regulations (Student Regs)
- Table of Contents for CFR Title 14 Part 147 subject matter per course (Table of Contents)
- Unit sign off sheets – Student final record completion form (Unit Sheets)
- Unit sign off sheets – Student final record completion form, alternative method (New Record Sheets)
- Workbook covers in Microsoft Word (Workbook Covers)
- Student Workbooks (Workbooks)
- AutoCad Folder (contains sheetmetal project drawings)
- A&P Oral and Practical guide in Adobe Acrobat

The files (unless indicated) are in Microsoft Word format. The font used for these files is Helvetica or Times. Format changes will be needed if another font is used. Since these files were originally done using a Macintosh, some editing might be needed and it is recommended the pagination be checked prior to printing.

If there are any files you wish to review, please email bbang@snowcrest.net and I will submit the requested information.

S. Brad Banghart
